*These plans are still available for new application as of 1 July 2025.

- the Selected Critical Illness Plan(s) must have been successfully applied for and submitted the completed application on or before 30 September 2025; and
 - the Selected Critical Illness Plan(s) must have been issued by us on or before 30 November 2025.
- The Selected Plan will be eligible for the Extra Premium Refund if it meets all applicable requirements set out in clauses 3 and 4. Otherwise, the Extra Premium Refund will be forfeited.
- Basic Premium Refund and Extra Premium Refund (collectively, the “Premium Refund”)**
 - The Premium Refund amount will be denominated in the policy currency and credited to the premium deposit account (“PDA”) of the eligible Selected Plan as follows:

| Premium payment mode | Date of Premium Refund | |
|--|---|---|
| | Basic Premium Refund (10% or 20% of the first year annualised premium) | Extra Premium Refund (10% or 20% of the first year annualised premium) |
| Annual mode | On or before 31 May 2026 | On or before 31 May 2027 |
| Semi-annual mode Quarterly mode Monthly mode | On or before 30 November 2026 | On or before 30 November 2027 |

The above premium payment mode means the premium payment mode at the time of policy issuance. A PDA is a policyholder’s premium account set up by us for our policyholder to keep excess premium for future settlement of the relevant modal premium due (and the corresponding levy (if applicable), if there is a remaining balance in the PDA) until the Premium Refund amount is fully utilised. Any undistributed or unused Premium Refund will be forfeited if the policy is no longer in force.

- (ii) We shall restrict any withdrawal of the Premium Refund from the PDA and the Premium Refund is only intended for the settlement of future premiums (and levy(ies) (if applicable), if there is a remaining balance in the PDA). The Premium Refund is non-transferable to others or other policies and cannot be exchanged or redeemed for cash even when the policy is surrendered, matured or lapsed.
 - (iii) The Premium Refund is offered to each eligible Selected Plan. If a customer has successfully applied for more than 1 eligible Selected Plan during the Promotion Period and fulfilled all other requirements stated under these terms and conditions, each eligible Selected Plan will qualify for the Premium Refund.
 - (iv) For any alterations to the eligible Selected Plan after policy issuance (within or after the cooling-off period) which result in a reduction of premium payable within the premium term (including but not limited to a decrease in sum assured), the Premium Refund for the respective eligible Selected Plan will be totally forfeited. For any alterations to the eligible Selected Plan after policy issuance (within or after the cooling-off period) which result in an increase of premium payable within the premium term (including but not limited to an increase in sum assured), the increased portion of the premium will NOT be eligible for this Promotion. Notwithstanding the above, if there is any change of premium payment mode during the first policy year, the eligible Selected Plan will still qualify for the Premium Refund and we will use the lowest first year annualised premium to calculate the Premium Refund amount (please refer to clause 5(vi) for calculation of the first year annualised premium).
 - (v) We will calculate the Premium Refund amount based on each eligible Selected Plan's first year annualised premium (excluding levy, if applicable).
 - (vi) If the premium of the eligible Selected Plan is paid on a non-annual basis, its first year annualised premium shall be the total amount of premium payments made in the first 12 months. For example, if the premium of the eligible Selected Plan is paid on a monthly basis, the respective first year annualised premium shall be equal to 12 times the monthly payment.
 - (vii) The Premium Refund under the Promotion will form part of the policy contract upon the respective policy and/or the respective supplementary benefit (if applicable) being issued if the requirements of the Premium Refund under the terms and conditions of the Promotion are satisfactorily fulfilled.
6. The Promotion will not be offered to any other basic plan(s) or supplementary benefit(s), or to any policy conversion or plan migration (if applicable).
 7. **The Promotion can be used in conjunction with any other promotional offers unless otherwise specified.**
 8. The Selected Plan and Selected Critical Illness Plan(s) are underwritten by Prudential Hong Kong Limited or Prudential Hong Kong Limited (Macau Branch), and are subject to all respective policy terms and conditions. 9. **Basic Premium Refund and Extra Premium Refund (collectively, the “Premium Refund”)**

- (i) The Premium Refund amount will be denominated in the policy currency and credited to the premium deposit account (“PDA”) of the eligible Selected Health Insurance Plan(s) as follows:

| Premium payment mode | Date of Premium Refund | |

Any undistributed or unused Premium Refund will be forfeited if the policy is no longer in force.

- (v) We will calculate the Premium Refund amount based on each eligible Selected Health Insurance Plan(s)’s first year annualised premium (excluding levy).
- (vi) If the premium of the eligible Selected Health Insurance Plan(s) is paid on a non-annual basis, its first year annualised premium shall be the total amount of premium payments made in the first 12 months. John, aged 36, is the breadwinner of his family. He realises the importance of having a financial safety net in case of critical illness, particularly while his children are young, so he enrolls in the **PRUHealth Guardian Critical Illness Plan** for himself. He opts for a basic sum assured of USD 100,000 and **chooses Option 2 from this promotion – 190% superior cover.**

If he is diagnosed with one of the 56 major disease conditions covered during the first 10 policy years, he will get a total benefit payout of USD 190,000, which provides vital financial support both for his treatment and his family's living expenses.

The above figures are only for illustration. We assume that John fulfils the definitions and claims requirements of the benefits, and that he has no policy loans nor makes any policy changes.

¹ Basic sum assured means the initial sum assured of the plan together with any applicable reduction of the sum assured, excluding the sum assured of the Benefit Booster/Critical Illness Care Enhancer III (where applicable).

² The Benefit Booster applies to the **PRUHealth Guardian Critical Illness Plan** and **PRUHealth Baby Guardian Critical Illness Plan**, while the Critical Illness Care Enhancer III applies to the **PRUHealth Critical Illness Extended Care III**.

Terms and Conditions

1. The “Your choice” promotion of Selected Critical Illness Plan(s) (the “Promotion”) is offered by Prudential Hong Kong Limited or Prudential Hong Kong Limited (Macau Branch) (“Prudential” or “we”) and covers the period from 1 July to 30 September 2025, both dates inclusive (the “Promotion Period”).
2. The Promotion is applicable to the policies applied for through the Agency channel or Broker channel (if applicable) of Prudential.
3. Customers can select either (i) up to a 20% premium refund (the “Premium Refund”) or (ii) a 190% superior cover in the first 10 policy years (the “Superior Cover”) under the Promotion at the time of application.
4. In order to be eligible for the Premium Refund or Superior Cover under the Promotion,
 - (i) customers (i.e. policyholders) must have successfully applied for and submitted the completed application for the **PRUHealth Guardian Critical Illness Plan, PRUHealth Baby Guardian Critical Illness Plan or PRUHealth Critical Illness Extended Care III** (the “Selected Critical Illness Plan(s)”) within the Promotion Period;
 - (ii) the Selected Critical Illness Plan(s) must have been issued by us on or before 30 November 2025;
 - (iii) if customers select the Premium Refund, the Selected Critical Illness Plan(s) must remain in force when we apply the Premium Refund to the Selected Critical Illness Plan(s); and
 - (iv) all the premiums and levy(ies) (if applicable) must have been fully settled when due.
 Selected Critical Illness Plan(s) will be eligible for the Premium Refund or Superior Cover (the “Eligible Plan”) if it meets all applicable requirements set out in clause 4. Otherwise, the Premium Refund or Superior Cover will be forfeited.

5. If customers select the Premium Refund:

- (i) The Premium Refund amount will be denominated in the policy currency and credited to the premium deposit account (“PDA”) of the eligible policy as follows:

| Premium payment mode | Date of Premium Refund |
|--|-------------------------------|
| Annual mode | On or before 31 May 2026 |
| Semi-annual mode Quarterly mode Monthly mode | On or before 30 November 2026 |

The above premium payment mode means the premium payment mode at the time of policy issuance. A PDA is a policyholder’s premium account set up by us for our policyholder to keep excess premium for future settlement of the relevant modal premium due (and the corresponding levy (if applicable), if there is a remaining balance in the PDA) until the Premium Refund amount is fully utilised. Any undistributed or unused Premium Refund will be forfeited if the policy is no longer in force.

- (ii) We shall restrict any withdrawal of the Premium Refund from the PDA and the Premium Refund is only intended for the settlement of future premiums (and levy(ies) (if applicable), if there is a remaining balance in the PDA). The Premium Refund is non-transferable to others or other policies and cannot be exchanged or redeemed for cash even when the policy is surrendered, matured or lapsed.
- (iii) The Premium Refund is offered to each Eligible Plan. If a customer has successfully applied for more than 1 Eligible Plan during the Promotion Period and fulfilled all other requirements stated under these terms and conditions, each Eligible Plan will qualify for the Premium Refund.
- (iv) For any alterations to the Eligible Plan(s) after policy issuance (within or after the cooling-off period) which result in a reduction of premium payable within the premium term (including but not limited to a decrease in sum assured), the Premium Refund for the respective Eligible Plan(s) will be totally forfeited. For any alterations to the Eligible Plan(s) after policy issuance (within or after the cooling-off period) which result in an increase of premium payable within the premium term (including but not limited to an increase in sum assured), the increased portion of the premium will NOT be eligible for this Promotion. Notwithstanding the above, if there is any change of premium payment mode during the first policy year, the Eligible Plan(s) will still qualify for the Premium Refund and we will use the lowest first year annualised premium to calculate the Premium Refund amount (please refer to clause 5(vi) for calculation of the first year annualised premium).
- (v) We will calculate the Premium Refund amount based on each Eligible Plan’s first year annualised premium (excluding levy, if applicable).
- (vi) If the premium of the Eligible Plan(s) is paid on a non-annual basis, its first year annualised premium shall be the total amount of premium payments made in the first 12 months. For example, if the premium of the Eligible Plan(s) is paid on a monthly basis, the respective first year annualised premium shall be equal to 12 times the monthly payment.
- (vii) The Premium Refund under the Promotion will form part of the policy contract upon the respective policy and/or the respective supplementary benefit (if applicable) being issued if the requirements of the Premium Refund under the terms and conditions of the Promotion are satisfactorily fulfilled.

6. If customers select the Superior Cover:
 - (i) The Superior Cover is offered to each Eligible Plan. If a customer has successfully applied for more than 1 Eligible Plan during the Promotion Period and fulfilled all other requirements stated under these terms and conditions, each Eligible Plan will qualify for the Superior Cover.
 - (ii) For any increase or decrease in the basic sum assured of the Eligible Plan(s) after we issue the policy, we will adjust the existing and extra Benefit Booster or Critical Illness Care Enhancer III (where applicable) proportionally. There is more information about the Benefit Booster and Critical Illness Care Enhancer III in the product brochures of **PRU**Health Guardian Critical Illness Plan Series - **PRU**Health Guardian Critical Illness Plan and **PRU**Health Baby Guardian Critical Illness Plan and **PRU**Health Critical Illness Extended Care III respectively.
 - (iii) The Superior Cover is subject to the terms and conditions stated in the policy document.
7. Once the Premium Refund or Superior Cover is chosen at the time of application, no change or replacement will be accepted.
8. The Promotion will not be offered to the Selected Critical Illness Plan(s) applied for or already in force on or before 30 June 2025, or to any other basic plan(s) or supplementary benefit(s), or to any policy conversion or plan migration (if applicable).
9. **The Promotion can be used in conjunction with any other promotional offers unless otherwise specified.**
10. The Selected Critical Illness Plan(s) is/are underwritten by Prudential Hong Kong Limited or Prudential Hong Kong Limited (Macau Branch), and is/are subject to all respective policy terms and conditions. For product information, please refer to the terms and conditions set out in the product brochure(s) and specimen policy(ies) issued by us.
